Replacement Notices: Look Back Period in New York

New York Regulation 60 requires that insurers ask, at the time a new life insurance policy or an annuity contract is applied for, whether an existing policy or contract has lapsed or terminated, or is likely to lapse or be terminated, surrendered, partially surrendered, forfeited, etc. What is the look back period utilized by your company for this purpose?

Answered: 11 Skipped: 0

Other:

- 6 months for life only. No specified lookback for annuity.
- We are not active in New York.
- We do not have any set time period.
