## CEFLI Antitrust Reminder

The Compliance and Ethics Forum for Life Insurers (CEFLI) is committed to adhering strictly to the letter and spirit of the antitrust laws. Meetings conducted under CEFLI's auspices are designed solely to provide a forum for the expression of various points of view on topics described in the programs or agendas for such meetings.

Under no circumstances shall CEFLI meetings be used as a means for competing companies or firms to reach any understanding -- expressed or implied -- which restricts competition or in any way impairs the ability of members to exercise independent business judgment regarding matters affecting competition. Accordingly, appropriate objection will be made to any presentation or colloquy that presents a risk from the standpoint of the antitrust laws.
